👉 WESTVIEW TENANTS UPDATE 👈

👉 “LAUNDRY ROOM RENOVATION” 👈

EMAIL RECEIVED FROM RY MANAGEMENT ON MONDAY DECEMBER 5, 2011...

Coinmach has just given RY Management a tentative date to begin renovating the Westview laundry rooms. They are attempting to schedule the work earlier, but as of today it is scheduled for December 28, 2011.

RY Management anticipates the renovation and install to take approximately 7 business days. During that time the rooms will be repainted, new washers and 10 new gas dryers will be installed in each room.

As we get closer to the date, RY Management will send notification to the tenants.

Thank all of the residents for their patience.

Thank you for your continued support!
