

☛ WESTVIEW AFFORDABILITY- OWNERSHIP UPDATE ☛

- The approval of the Island House deal is very good news for Westview!
- Westview is likely to end up with the exact same terms in connection with the ground lease extension, tax abatement, and post conversion rental structure
- Westview's owners are now free to commence discussions with the Taskforce in connection with Westview's specific purchase terms. This process may take a few months.
- The Taskforce is in direct contact with the Owners, Political Representatives and City/State Agencies.

In order to be successful, the Taskforce needs your continued support and confidence while we negotiate with the Owners and Agencies.

We ask All Tenants not to react to rumors, blog posts or other external distractions not originating from the Westview Taskforce!

- The Taskforce will be communicating to all Tenants as the process progresses through to completion. No deal can be completed without "tenant approval".
