

☛ WESTVIEW AFFORDABILITY- OWNERSHIP UPDATE ☛

GOOD NEWS!

- By a letter dated today, Westview Owners notified the NYS Division of Housing and Community Renewal and the Westview Taskforce of their intention to remove Westview from the NYS Mitchell Lama program effective May 30, 2013.
- The Plan is to replace the Mitchell Lama program with an Affordability Plan to be negotiated with the Westview Taskforce and Tenants over the next few months. This plan will specifically address Westview building issues.
- “...the Owner anticipates submitting a proposed Affordability Plan to the Westview Tenant’s Association and to RIOC, ESD and DHCR, within the next 30 days.” – *excerpt from Owners letter to DHCR.*
- We are in direct contact with Owners, Agencies and our political representatives and are looking forward to finalizing such affordability plan consistent with our objectives.
