

WV PRESERVATION UPDATE

- The WTI has received the draft of the “Affordability Plan” from the Westview Owners on Wednesday afternoon June 20th
 - The WTI Preservation Committee is reviewing the draft plan and will prepare a summary of terms for communication to the tenants.
 - The WTI with legal representation is preparing an “official response” to the Owners “Intent to Dissolve” Westview from the Mitchell – Lama program, presenting and documenting our issues and concerns.
 - The WTI Engineering Committee is investigating retaining an Engineering firm to update the Westview Buildings Engineering report with updated required repairs and costs.
 - The WTI Preservation Committee has scheduled a meeting with our political representatives to gain their support and commitment to Westview’s Affordability Plan issues and terms.
 - The WTI is scheduling a Tenant Meeting for the week of July 9th – 13th , tentatively Thursday July 12th . At this meeting the WTI will present our Analysis of the Affordability Plan, the proposed Owners terms and the WTI proposed response for Tenant discussion and direction to proceed.
 - The WTI will also initiate a Fundraising Campaign at the July Tenant Meeting to support our legal and engineering expenses of which will be reimbursed as affirmed in the Affordability Plan.
-

Thank you for your continued support!
