Dear Neighbors

In February 2006 you signed a consent agreement placing your trust in the Westview Taskforce Inc. to negotiate on your behalf affordable renting or ownership of your apartment.

We urge you to contribute a total of one month's rent and encourage your neighbors to do the same. We understand the additional burden this places on you but it is imperative that you contribute today. We need everybody's help. Remember this is an investment in your own homes.

Many tenants have made partial contributions thus far. Some individuals have contributed half now and promised to contribute another 50% in the coming months. A few have chosen to pay in three installments.

The privatization process is a very costly endeavor. Here is an estimate of the fees involved and what your money will be applied towards:

Attorney fees	\$200,000
Engineering fees	\$40,000
Offering Plan (Red Herring)	\$85,000
Appraisal Fees/Accountants	\$35,000

The Westview Taskforce Board Members have volunteered countless hours towards this cause. Our future is in your hands at this point. We are in a great position to continue the negotiations but we need your financial support. Please tear off the bottom coupon and drop it off with your check in this envelope into either of the two Westview Taskforce green drop boxes located in the 625 Main Street entrance lobby. The drop boxes are located to the left of the public bulletin boards directly across from the mailboxes. Feel free to include comments with your payment coupon. The Westview Taskforce will address your concerns in a timely manner.

Sincerely

Westview Taskforce Inc.
